

## **Dewey Funkhouser**

I, Dewey Funkhouser was born in a farm house in 1932, about 2 miles from Mt. Jackson, VA in the heart of the Shenandoah Valley.

I left the valley at about the age of 18 and was employed in baseball for 4 years. Drafted in the army for 2 years.

Started a striping business in Lakeland, FL that I operated for 33 years before I sold the business. It still operates under my name to this day.

Besides Mt. Jackson, I have lived in Edinburg, Portsmouth, VA—Marion, Holly Springs NC, Columbia, Sc, Olympia, Wa, Lakeland, FL, Marion, KY and here in Greenville, NC.

I like throwing baseball, playing tennis, billiards, ping pong and art. I am a self taught artist as is easily seen and acrylic is my medium.

Giclee prints are available of all my art and a contact # is [\(252\)413-6353](tel:2524136353) or [dpfunkhouser@hotmail.com](mailto:dpfunkhouser@hotmail.com)
